

# BERLIN SUMMER SCHOOL 2019

THIS SUMMER, GET CREATIVE  
IN BERLIN AND DISCOVER  
**STREET PHOTOGRAPHY!**  
**15.07 - 26.07.2019**

Discover the streets of Berlin and create your personal portfolio of portraits with individual guidance. We will discuss and analyse in lectures different approaches of covering the streets from historical images up to contemporary photographers and their individual photographic expressions. The course places special emphasis on a personal street photography project, with the goal of practical application of the theoretical knowledge.
