VRIJE
UNIVERSITEIT
AMSTERDAM

Graduate
Winter School

WHO SHOULD JOIN

Vrije Universiteit Amsterdam offers a variety of intensive, trans-disciplinary short courses for Master students, PhD candidates and professionals. Join our winter programme and improve your research and communication skills. Expand your knowledge and learn to efficiently share it with others while earning study credits. All our small-scale courses are designed to give you an intensive and in-depth look into the subject. You will engage in cross-cultural discussions with a group of professionals from all over the world.

AMSTERDAM FACTS

- Capital of the Netherlands
- Safe and diverse
- 187 nationalities
- 93% of the Dutch speak English
- 881.000 bicycles, 40 parks and 165 canals

VRIJE UNIVERSITEIT AMSTERDAM

Vrije Universiteit Amsterdam is an internationally renowned research university. It consists of nine faculties with teaching facilities for 26.000 students and more than 2300 PhD candidates. With over 120 English-taught Bachelor's and Master's programmes, and high quality PhD programmes the university offers a wide range of study options. The campus is a centrally located hub where people feel at home and engage in innovative ways.
